To whom it may concern:

This letter confirms that A-LIGN and A-LIGN ASSURANCE is conducting a Type 2 SOC 2 Examination of Menlo Security, Inc.'s (the "Company's"), Security Isolation Platform (MSIP) Services System at the Mountain View, California facilities.

The scope of the Type 2 SOC 2 examination to be performed by A-LIGN ASSURANCE will include the 2017 Trust Services Criteria (TSP section 100) regarding Common Criteria/Security, Availability, Confidentiality, and Processing Integrity.

The examination of management's assertions as included in the "Report of Management on Controls" will be conducted with the attestation standards established by the AICPA, and will be performed to determine if the written assertion by management fairly presents the Company's environment related to the 2017 Trust Services Criteria regarding Common Criteria/Security, Availability, Confidentiality, and Processing Integrity in all material respects, and based upon criteria stated by the AICPA.

The review period for the Type 2 SOC 2 examination is April 1 2023 to June 30 2023 with an anticipated report delivery to be on or before September 1, 2023.

Please don't hesitate to contact me if you have any questions.
